Unless a Chair is appointed by the Board, the members of the Committee may designate a Chair by majority vote of the Committee. A majority of the members of the Committee shall constitute a quorum for the transaction of business and the act of a majority of those present at any meeting at which there is a quorum shall be the act of the Committee.

IV. DUTIES AND RESPONSIBILITIES

The duties of the Committee are as follows:

4. In fulfilling the Committee's responsibilities, the Committee shall be entitled to delegate any or all of its responsibilities to a subcommittee of the Committee.
5. Periodically review this Charter and the Company's By-laws in light of existing nomination committee trends, and recommend any proposed changes for adoption by the Board or submission by the Board to the Company's shareholders.
6. Report to the Board as required.
7. The Committee shall perform a review and evaluation, at least annually, of the performance of the Committee.
8. The Committee will perform any other function required by applicable law, rules or regulations.

V. DIRECTOR NOMINATING PROCESS

The Nominating Committee will consider director candidates who are suggested by directors, management, stockholders and search firms hired to identify and evaluate qualified candidates. With respect to nominees for director proposed by stockholders, the Nominating Committee will consider such nominees if such proposals are submitted in accordance with the procedures set forth in the by-laws and in accordance with NYSE Amex rules, TSX rules and SEC rules and regulations, each as in effect from time to time, regarding the submission of shareholder proposals.

From time to time, the Nominating Committee may recommend highly qualified candidates who it believes will enhance the strength, independence and effectiveness of the Company's Board. The nominating committee may set minimum qualifications or skills to be required of prospective directors. Such qualifications may include such qualities as a familiarity with the mining industry, knowledge of capital markets or experience with project management.
